

What They say about our services...

VA TRADE'S ABILITY TO LINK FOREIGN INVESTORS WITH PROJECTS HERE IN AUSTRALIA, AND VICE VERSA, HAS PROVEN TO BE LUCRATIVE FOR ALL PARTIES INVOLVED.

I have worked with Harry on numerous occasions, which has led to an ongoing partnership between our two companies. His business ethics are truly remarkable, and I can highly recommend his services.

MY WORK WITH VA TRADE TO DATE HAS BEEN WELL REWARDED AND I LOOK FORWARD TO OUR ASSOCIATION FOR A LONG TIME TO COME.

Harry has a very professional and strategic approach to business. His network both here in Australia and government affiliates in Vietnam opens up opportunities for businesses in both countries.

HARRY AND HIS TEAM HAVE BEEN INSTRUMENTAL IN ASSISTING THE LOPEZ GROUP WITH RAISING CAPITAL FOR INVESTMENT INTO AUSTRALIA.

My dealings with VA Promotion led by its founder Harry Tran has been exceptional, and from my perspective the number one business in Australia leading in providing a bridge between Australia and Vietnam.

VA TRADE'S STRONG CONNECTION HAS HELPED US BUILD A BUSINESS BRIDGE BETWEEN MBS AND AUSTRALIAN LEADING FINANCIAL CORPORATIONS.

The logical meeting arrangements set by Harry and his professional manner are the main contributing factors for MBS to complete the goals of meeting, promoting image and networking with many leading financial corporations. Also, we experienced high quality food and comfortable accommodation during the business trip. We highly recommend using their services.
